MAIN FACS CODE MODIFICATIONS – NEW TRANSACTION CODE (TC) AND MODIFIED DAFR7460 REPORT

The following Code Modification will be in production on Thursday February 6, 2003:

Transaction Code (TC) 010 Executive Order Reduction was used to record appropriation reductions as required by Executive Orders. This TC did not distinguish between original appropriation and revisions. TC010 will be inactivated. A new TC029 Executive Order Reduction will be added to production. Balance Type (BT) 37 Executive Order will be inactivated and BT 73 will be used in its place. TC029 will post to BT 02 Appropriation Revision and BT 73 Executive Order on the GAAP Basis Authorization Financial Inquiry (S060) and Appropriation Financial Inquiry (S062) screens.

To accommodate the new TC029, the report DAFR7460 Appropriation by Related Appropriation and Appropriation Number has been modified. The modified report will provide effects for both TC010 and TC029.
